

Articulation Agreement by Major

Effective during the 2022-2023 Academic Year

To: University of California, Davis
2022-2023 General Catalog, Quarter

From: De Anza College
2022-2023 General Catalog, Quarter

Environmental Horticulture & Urban Forestry B.S.

INFORMATION AND ADVISORIES

Special Advising Note:

As of Fall 2022, the Environmental Horticulture & Urban Forestry major is no longer accepting new students. It will be absorbed into the [Plant Science major](#) as an area of specialization effective Fall, 2023.

Transfer students are strongly advised to complete as many preparatory courses as possible for their major before enrolling at UC Davis. In particular, it is highly recommended that students complete Chemistry courses before transferring. Preparing well for the major helps students move efficiently toward graduation and significantly reduces time to degree.

Transfer students must also meet UC transfer admission requirements. For details see the [UC Davis Transfer Admission website](#). UC Davis requires that students complete UC transfer admission requirements by the end of Spring term prior to Fall enrollment. In order to receive priority consideration it is strongly recommended that transfer students complete UC transfer admission requirements in English and Mathematics by the end of Fall term prior to enrollment.

Transfer Admission Guarantee (TAG) Note:

GPA and other requirements to obtain a UC Davis TAG may differ from those stated here for general transfer admission to the major. Visit <http://tag.ucdavis.edu> for details regarding UC Davis TAG.

Intersegmental General Education Transfer Curriculum (IGETC)/UC Davis General Education (GE) Note:

Students have two choices for selection of a GE pattern: IGETC or UC Davis GE. IGETC is available only at California community colleges and works well for students planning to complete undergraduate degrees at UC Davis. See additional details about IGETC in ASSIST. UC Davis accepts partial IGETC certification and IGETC for STEM. Students not planning to complete IGETC should see important information about the UC Davis GE pattern. Students not planning to complete IGETC should contact the Dean's Office of your undergraduate college at UC Davis who determines whether you have satisfied the GE requirement. See a UC Davis academic advisor to understand how to complete all of the GE components.

College of Agricultural and Environmental Sciences (CA&ES) General Education (GE) English Composition Requirement for the Bachelor's Degree:

The College of A&ES English Composition requirement for the Bachelor's degree is an element of the UC Davis General Education (GE) pattern. This GE requirement may be satisfied by completing either two courses emphasizing written expression **or** one course emphasizing written expression and one course emphasizing oral expression, with a grade of C- (or P) or better. The following UC Davis lower-division courses are among those that have been approved to satisfy this requirement: English 003, University Writing Program 001, 048, 049 (emphasis in writing skills); Communication 001, Comparative Literature 001, 002, 003, 004, or Native American Studies 005 (emphasis in either writing or speaking skills). The English Composition requirement may also be met by achieving a score of 4 or 5 on the Advanced Placement (AP) English examination **plus** completing any previously listed course, **except** English 003 or University Writing Program 001. See the current articulation for appropriate courses available at your California Community College.

Community College transfer students who have successfully completed the IGETC lower-division coursework are exempt from all GE requirements that may be met with lower-division courses.

You should also be aware, however, that the University requires two courses in English composition to be completed with C grades or higher for transfer admission. See the [UC Davis Transfer Admission website](#). The courses used for the CA&ES English Composition Requirement and those chosen for admission may be the same if chosen carefully. Some majors may also require additional English courses beyond the GE/College English composition requirement. Please contact your Community College counselor or the UC Davis College of A&ES if you have any questions.

Advanced Placement (AP) and International Baccalaureate (IB) Examination Note:

AP and IB examination credit policies are detailed in the UC Davis [General Catalog](#). Quick reference charts for AP and IB are also available [here](#).

MAJOR PREPARATION

- Please carefully review Information and Advisories and Course Articulation Details.

COURSE ARTICULATION DETAILS

- Students must also select one lower division division resource science course and one lower division social science/humanities course for a minimum of six quarter units in consultation with an adviser.
- **Important note:** Due to the limitations and bugs on the ASSIST platform at this time, it is important to view both the department and major agreements for a complete picture of the articulation arrangements. [Please refer to the appropriate department agreements in conjunction with the major agreement below.](#)
- Please check the UC Transferability Lists on ASSIST for information on any credit limitations.
- **Attention:** Articulation agreements are California Community College *specific*. Lower division courses that are taken at multiple California Community Colleges, including those within a shared district, may articulate differently from what is indicated in the department or major agreements. It is recommended that series courses be completed at the same California Community College. Please contact your California Community College counselor for more information.

PREPARATION COURSES FOR THE MAJOR

Highly recommended to complete the entire series

If the entire sequence is not completed prior to transfer, students must consult an advisor prior to enrollment

Complete entire sequence at same institution prior to transfer

BIS 002A - Introduction to Biology: Essentials of Life on Earth (5.00)	←	BIOL 6B - Cell and Molecular Biology (6.00)
BIS 002B - Introduction to Biology: Principles of Ecology & Evolution (5.00)	←	BIOL 6C - Ecology and Evolution (6.00)
		--- Or ---
		BIOL 6CH - Ecology and Evolution - HONORS (6.00)

Highly recommended to complete the entire series

If the entire sequence is not completed prior to transfer, students must consult an advisor prior to enrollment

Complete entire sequence at same institution prior to transfer

CHE 002A - General Chemistry (5.00)	←	CHEM 1A - General Chemistry (5.00) <ul style="list-style-type: none"> • <i>Effective next fall, this articulation will be revised</i>
		--- Or ---
		CHEM 1AH - General Chemistry - HONORS (5.00) <ul style="list-style-type: none"> • <i>Course is articulated in more than one agreement but credit can only apply to one</i> • <i>Effective next fall, this articulation will be revised</i>
CHE 002B - General Chemistry (5.00)	←	CHEM 1B - General Chemistry (5.00) <ul style="list-style-type: none"> • <i>Effective next fall, this articulation will be revised</i>
		--- Or ---
		CHEM 1BH - General Chemistry - HONORS (5.00) <ul style="list-style-type: none"> • <i>Course is articulated in more than one agreement but credit can only apply to one</i> • <i>Effective next fall, this articulation will be revised</i>

ENH 001 - Introduction to Environmental Horticulture/Urban Forestry (3.00)	←	No Course Articulated
ENH 006 - Introduction to Environmental Plants (4.00)	←	No Course Articulated

LDA 030 - History of Environmental Design (4.00)	←	No Course Articulated
---	---	-----------------------

PLS 002 - Botany & Physiology of Cultivated Plants (4.00)	←	No Course Articulated
PLS 021 - Application of Computers in Technology (3.00)	←	No Course Articulated

Select 1 Course from the following

REFER TO TOP OF AGREEMENT

ESP 001 - Environmental Analysis (4.00)	←	No Course Articulated
--	---	-----------------------

ESP 010 - Current Issues in the Environment (3.00)

E S 1 - Introduction to Environmental Studies (4.00)

--- Or ---

ESCI 19 - Environmental Biology (5.00)

MAT 016A - Short Calculus (3.00)

MATH 1A - Calculus (5.00)

- *Course is articulated in more than one agreement but credit can only apply to one*

--- Or ---

MATH 1AH - Calculus - HONORS (5.00)

- *Course is articulated in more than one agreement but credit can only apply to one*

--- Or ---

STA 013 - Elementary Statistics (4.00)

MATH 10 - Introductory Statistics (5.00)

- *Course is articulated in more than one agreement but credit can only apply to one*

--- Or ---

MATH 10H - Introductory Statistics - HONORS (5.00)

- *Course is articulated in more than one agreement but credit can only apply to one*

--- Or ---

MATH 17 - Integrated Statistics 2 (5.00)

- *Course is articulated in more than one agreement but credit can only apply to one*

--- Or ---

PSYC 15 - Statistics and Research Methods in Social Science (4.00)

Same-As: SOC 15

- *Course is articulated in more than one agreement but credit can only apply to one*

--- Or ---

SOC 15 - Statistics and Research Methods in Social Science (4.00)

Same-As: PSYC 15

- *Course is articulated in more than one agreement but credit can only apply to one*

Highly recommended to complete the entire series

If the entire sequence is not completed prior to transfer, students must consult an advisor prior to enrollment

Complete entire sequence at same institution prior to transfer

PHY 001A - Principles of Physics (3.00)

No Course Articulated

PHY 001B - Principles of Physics (3.00)

PHYS 2A - General Introductory Physics (5.00)

URBAN LANDSCAPE MANAGEMENT OPTION

SAS 018 - GIS & Society (3.00)

This Course is Never Articulated

RECOMMENDED

CMN 001 - Introduction to Public Speaking (4.00)

COMM 1 - Public Speaking (5.00)

--- Or ---

COMM 1H - Public Speaking - HONORS (5.00)

END OF AGREEMENT
