

Articulation Agreement by Major

Effective during the 2022-2023 Academic Year

To: University of California, Santa Barbara
2022-2023 General Catalog, Quarter

From: De Anza College
2022-2023 General Catalog, Quarter

Economics, B.A.

GENERAL INFORMATION FOR ALL MAJORS

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meeting campus admission selection criteria. Completing the UC transfer admission requirements in English and mathematics by the end of the fall term prior to the fall application quarter makes an applicant more competitive for admission to UCSB. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UCSB, please visit the Admissions website: www.admissions.ucsb.edu

This articulation agreement lists course-to-course or sequence-to-sequence substitutions for preparation in the major. **Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSB. Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA, and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.**

Please note that the course "equivalencies" do not necessarily apply to UCSB general education. For information concerning satisfaction of UCSB general education requirements, please refer to the General Education/Breadth articulation agreement.

Advanced Placement (AP) and **International Baccalaureate (IB)** exams may or may not be used to meet course requirements, depending on the exam. Please refer to the [AP Chart](#) and [IB Chart](#) in the [UCSB General Catalog](#) for information on how we use AP and IB exams.

ECONOMICS, B.A.

Please visit the department's website to learn more about this major: www.econ.ucsb.edu

PRE-MAJOR INFORMATION

Students are admitted initially to Pre-Economics, not directly to the major. Admission to the full major is contingent upon completion of ECON 1, 2, and 10A with a grade point average of 2.85 or above in those courses completed at the University of California and with no grade lower than C. **(Only UC grades go into the pre-major GPA. Grades in courses taken outside of UC are used in the admission decision, and the courses may satisfy pre-major requirements, but they are not part of the pre-major GPA.)** In addition, any remaining major preparation courses must be completed with grades of C or higher; the grades in these courses will not be used in computing the pre-major GPA but will apply to the overall major GPA. Only the first repeat of any pre-major course will be accepted by the Department of Economics in determining admission into the full major. Because the criteria are subject to annual review and revision, transfer students should consult the department directly to obtain current information regarding specific additional criteria for admission to the full major. **Admission to the pre-major does not guarantee admission to full major status.**

ADMISSION SELECTION CRITERIA

To be admitted to the Pre-Economics major, transfer applicants must complete the following courses with a 2.75 or better grade point average, with no individual grade lower than C:

1. **Microeconomics** (the Advanced Placement Microeconomics exam will not satisfy this requirement)
2. **Macroeconomics** (the Advanced Placement Macroeconomics exam will not satisfy this requirement)
3. **Calculus courses articulating with UCSB's MATH 3A-3B or MATH 34A-34B** (a single course articulating with both MATH 34A and 34B is acceptable) **MATH 3A-3B is highly recommended over MATH 34A-34B**

PRE-MAJOR COURSES:

Economics 1 and 2 (required prior to transfer, see Admission Selection Criteria above)

Economics 10A (must be taken at UCSB)

PREPARATION FOR THE MAJOR:

Math 3A-3B or Math 34A-34B (required prior to transfer, see Admission Selection Criteria above)

Economics 5 or PSTAT 120A

Note: Economics 5 and Economics 10A must be taken at UCSB.
