### IMPORTANT TRANSFER INFORMATION

In addition to the Major Selection Criteria, all Upper-Division Transfer applicants must meet minimum [University of California admissions requirements](#). Visit <https://admissions.ucmerced.edu/transfer/requirements> for more specific UC Merced admissions information.

Prior to Transferring to UC Merced, please be advised of the following for Junior Transfers:

**1) WRI 001 and WRI 010 are admissions requirements:** In most situations, WRI 001 is fulfilled by IGETC 1A English Composition and WRI 010 is fulfilled by IGETC 1B Critical Thinking/English Composition. However best practice is to complete the articulated course for WRI 001 and WRI 010. Please scroll towards the bottom of the agreement to find the articulation for each course.

**2) Transfer Admissions Guarantee (TAG):** UC Merced is one of the six UC's that offers Transfer Admissions Guarantee. Please visit the TAG website for more information: <https://admissions.ucmerced.edu/transfer/tag>

**3) General Education (GE Requirements):** While general education is not required for admission, it can help speed up your time to graduation once you transfer to UC Merced. We highly recommend reviewing the [Transfer Students: Satisfying General Education](#) page in the catalog for a more extensive explanation of the requirements.

Transfer students are strongly encouraged to complete IGETC in order to prepare for work within the School of Social Sciences, Humanities and Arts (SSHA). IGETC courses may double count with the major courses listed below. Please visit your Community College Counselor to learn more.

**4. This agreement displays all lower-division (or Major Preparation) courses required in the major.** UC Merced courses on the left, approved (articulated) transfer courses to the right.

**5. Changes to this Agreements:** Major requirements are subject to change from one academic year to the next. Newly-articulated courses are added on a rolling basis, and articulated courses can be revised. Visit ASSIST every semester for the latest information and consult with an Academic Counselor at your institution on a regular basis.

## ABOUT THIS MAJOR

The [Management and Business Economics](#) major responds to the growing needs of California's business environment. UC Merced's Management and Business Economics major provides rigorous analytical and quantitative training from a blend of fields including economics, management theory and other social sciences. Real-life management problems do not fit neatly into subject areas. Today's managers tackle issues that involve several management functions-- so solutions need to draw on expertise from a variety of different areas. The UC Merced approach is to step away from thinking of management as a set of separate functions drawing from single disciplines. Instead, students learn to integrate key ideas from across subject areas to understand all the dimensions of a given issue. Creativity, innovation and entrepreneurship are emphasized.

For more curriculum information, please visit the [22-23 catalog](#) and the [Four-Year Course Plan](#) (We encourage to visit your Community College Counselor to create an individualize educational plan for transfer).
