GENERAL REQUIREMENTS

Admission to majors housed in the College of Humanities, Arts and Social Sciences is selective based on GPA in all transferrable coursework, with a minimum GPA of 2.40 (This is a baseline GPA for consideration and not a guarantee of admission). Applicants with 80 semester/120 quarter units or more (e.g. a combination of 4-year and community college course work) are subject to additional screening. Although completion of the course work listed below is not mandatory prior to admission, students are advised to complete as much lower division course preparation as possible prior to transfer. Completion of lower division course work prepares students for upper division work at UCR and helps students move more efficiently towards graduation.

If the sending institution offers ***honors courses***, the articulation for the same course number will be used.

For additional information about this major, please visit [Latin American Studies](#).

For information about the UC Transfer Admission Guarantee (TAG) program, please visit [Transfer Admission Guarantee](#).

IGETC and General Education/Breadth Information

In addition to the lower division requirements listed below, students are also encouraged to complete the Intersegmental General Education Transfer Curriculum, "IGETC", while attending community college. Although completion of the IGETC is not a UCR admission requirement, it is a good program for students planning to transfer into majors housed in the College of Humanities, Arts and Social Sciences. Information about completing IGETC is available at each community college. Students also have the option of completing the UCR CHASS breadth pattern, you may view the breadth requirements by visiting the [2022-23 Catalog](#), pages 80-81.

LANGUAGE PROFICIENCY

Proficiency in Spanish (**SPN 5**) or Portuguese required prior to beginning upper division work in this major. Proficiency will be determined through a placement exam taken at UCR, but is generally equated to two years of college level Spanish or Portuguese. *Transfer students who have taken a college-level language course may not take the placement examination and should consult with their advisors. No college-level credit may be duplicated.* See college placement examination policy.

Additional course work in Spanish or Portuguese is recommended for students who are interested in careers in Latin American fields.
