

# Articulation Agreement by Major

*Effective during the 2022-2023 Academic Year*

To: University of California, Santa Barbara  
2022-2023 General Catalog, Quarter

From: De Anza College  
2022-2023 General Catalog, Quarter

## Creative Studies - Biology, B.A.

### GENERAL INFORMATION - COLLEGE OF CREATIVE STUDIES

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meeting campus admission selection criteria. Completing the UC transfer admission requirements in English and mathematics by the end of the fall term prior to the fall application quarter makes an applicant more competitive for admission to UCSB. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UCSB, please visit the Admissions website: [www.admissions.ucsb.edu](http://www.admissions.ucsb.edu)

Applicants who apply to UCSB's **College of Creative Studies (CCS)** must submit a **supplemental CCS application** in addition to the UC application. Applicants are selected on the basis of outstanding academic and personal achievement, special talent, and capacity for excellence in one of the eight available majors. For more information, please visit the CCS website: [www.ccs.ucsb.edu](http://www.ccs.ucsb.edu)

**Advanced Placement (AP)** and **International Baccalaureate (IB)** exams may or may not be used to meet course requirements, depending on the exam. Please refer to the [AP Chart](#) and [IB Chart](#) in the [UCSB General Catalog](#) for information on how we use AP and IB exams.

### CREATIVE STUDIES - BIOLOGY, B.A.

Students interested in laboratory and field research might wish to consider the CCS Biology program. It is designed to meet the needs of students who show promise of being able to begin advanced work early in their undergraduate careers. Biology students are expected to engage in independent research from the first year on. Students who are interested in transferring into CCS Biology are encouraged to refer to UCSB's "Biological Sciences, B.A. and B.S." articulation agreements in order to prepare for upper-division coursework at UCSB.

For information about this major, please visit the College of Creative Studies website: [www.ccs.ucsb.edu](http://www.ccs.ucsb.edu)
