## Human Biology and Society/B.A.

### IMPORTANT MAJOR INFORMATION

Listed below are the lower division preparation courses for the major. **To be considered for this major, you must complete at least five of the following courses by the end of spring before transfer: one year of biology with lab for major (cellular, evolution) or the equivalent of Life Science 7A and 7B; one semester of general chemistry, one course in statistics, one human evolution course, and two additional social theory courses (listed below).** All courses must be taken for a letter grade. **For more information regarding this major and UCLA's transfer selection process, visit [www.socgen.ucla.edu](http://www.socgen.ucla.edu) and <https://admission.ucla.edu>.**

**PLEASE NOTE:** the community college courses listed below have been approved to satisfy the preparation for this major at UCLA, but they may not be exact equivalents of the UCLA courses listed.

### ADDITIONAL NOTE

The community college statistics course included on this agreement has been approved as a substitute for Statistics 12 course, however it may not transfer as an exact UCLA equivalent.
