## Education Minor (General)

### GENERAL INFORMATION FOR ALL MINORS

UC Santa Cruz students have the option to complete one or more minors, provided they complete all of the required coursework for the minor(s). The sponsoring department establishes the course requirements for a minor. The minor involves substantial work in the discipline and requires no fewer than 25 upper-division or graduate credits. The minor appears on the student's official transcript but not on the diploma.

Students do not apply for admission into a minor when applying to UC Santa Cruz. If interested in completing a minor, transfer students must contact the department sponsoring the minor after enrolling at UCSC.

### EDUCATION MINOR (GENERAL)

Please visit the department's website for more information about this minor: <https://education.ucsc.edu/academics/education-undergradprograms/minor-in-education/index.html>

Although a Minor in Education does not confer or necessarily lead to a California Teaching Credential, it provides a foundation and experience for graduate programs, such as [UCSC's Masters/Credential Program](#).

The minor requires a total of 6 courses (30 credits) to complete.
