GENERAL INFORMATION FOR ALL MAJORS

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meeting campus admission selection criteria. Completing the UC transfer admission requirements in English and mathematics by the end of the fall term prior to the fall application quarter makes an applicant more competitive for admission to UCSB. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UCSB, please visit the Admissions website: www.admissions.ucsb.edu

This articulation agreement lists course-to-course or sequence-to-sequence substitutions for preparation in the major. **Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSB. Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA, and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.**

Please note that the course "equivalencies" do not necessarily apply to UCSB general education. For information concerning satisfaction of UCSB general education requirements, please refer to the General Education/Breadth articulation agreement.

Advanced Placement (AP) and **International Baccalaureate (IB)** exams may or may not be used to meet course requirements, depending on the exam. Please refer to the [AP Chart](#) and [IB Chart](#) in the [UCSB General Catalog](#) for information on how we use AP and IB exams.

HISTORY, B.A.

Please visit the department's website to learn more about this major: www.history.ucsb.edu

PREPARATION FOR THE MAJOR:

- A. One of the following three sequences: History 2A (or 4A), 2B, 2C; History 4A (or 2A), 4B, 4C; History 17A, 17B, 17C
- B. History 9
- C. Four lower-division quarter units (one course) selected from any historical field in History

(Transfer applicants do not need to complete all Preparation for the Major in order to be admitted, but should complete as much as possible before transferring so they will be prepared to progress in the major at UCSB.)

Breadth Requirement: The breadth requirement may be fulfilled at the lower-division and/or upper-division level, and the same course may fulfill a chronological and regional requirement simultaneously. Articulated community college courses are all lower-division, so only the lower-division options are listed here. There are many upper-division options at UCSB. The breadth requirement can be fulfilled prior to transfer, or it can be partially fulfilled prior to transfer and completed after transfer.
