IMPORTANT TRANSFER INFORMATION

In addition to the Major Selection Criteria, all Upper-Division Transfer applicants must meet minimum [University of California admissions requirements](#). Visit <https://admissions.ucmerced.edu/transfer/requirements> for more specific UC Merced admissions information.

Prior to Transferring to UC Merced, please be advised of the following for Junior Transfers:

1) WRI 001 and WRI 010 are admissions requirements: In most situations, WRI 001 is fulfilled by IGETC 1A English Composition and WRI 010 is fulfilled by IGETC 1B Critical Thinking/English Composition. However best practice is to complete the articulated course for WRI 001 and WRI 010. Please scroll towards the bottom of the agreement to find the articulation for each course.

2) Transfer Admissions Guarantee (TAG): UC Merced is one of the six UC's that offers Transfer Admissions Guarantee. Please visit the TAG website for more information: <https://admissions.ucmerced.edu/transfer/tag>

3) General Education (GE Requirements): While general education is not required for admission, it can help speed up your time to graduation once you transfer to UC Merced. We highly recommend reviewing the [Transfer Students: Satisfying General Education](#) page in the catalog for a more extensive explanation of the requirements.

Transfer students are strongly encouraged to complete IGETC in order to prepare for work within the School of Social Sciences, Humanities and Arts (SSHA). IGETC courses may double count with the major courses listed below. Please visit your Community College Counselor to learn more.

4. This agreement displays all lower-division (or Major Preparation) courses required in the major. UC Merced courses on the left, approved (articulated) transfer courses to the right.

5. Changes to this Agreements: Major requirements are subject to change from one academic year to the next. Newly-articulated courses are added on a rolling basis, and articulated courses can be revised. Visit ASSIST every semester for the latest information and consult with an Academic Counselor at your institution on a regular basis.

For more questions about admissions, please email: transfer@ucmerced.edu.

ABOUT THIS MAJOR

The [History major](#) at UC Merced emphasizes the many ways in which connections between regions and nations have existed over time. All students learn interpretive skills, take at least one course focused on research, and undertake a capstone research project. Students also have the opportunity to apply their classroom learning to research problems outside the classroom, where they can contribute to expanding public knowledge and awareness of cultural issues. Students may explore thematic topics such as environmental history, the history of science and technology, the history of migration and cultural intersections, as well as issues of world, national, state and local history.

For more curriculum information, please visit the [22-23 catalog](#) and the [Four-Year Course Plan](#) (We encourage to visit your Community College Counselor to create an individualized educational plan for transfer).

LANGUAGE RECOMMENDATION

History majors are encouraged (but not required) to exceed the General Education language requirement. Advanced language skills are necessary for those interested in pursuing graduate training in History. History Majors may exchange up to 8 units of advanced language classes (at UC Merced or approved courses offered elsewhere including in summer language institutes) for their Additional History Courses Requirement with consent of Chair.
