From: De Anza College
2022-2023 General Catalog, Quarter

Language Science, B.A.

GENERAL INFORMATION

There is no prerequisite course work required for admission to the Language Science major. The School of Social Sciences recommends that students complete IGETC prior to transfer and refer to the list of courses below that will fulfill UCI lower-division major requirements.

NOTE: A minimum of two years of any non-English language or any advanced level non-English course is highly encouraged. (Advanced non-English courses are those requiring the highest level course in the relevant 2x sequence as a prerequisite.)

While not a requirement for admission purposes, all School of Social Sciences majors must satisfy a Mathematics Requirement and a computer education course. For full details, students should refer to the [UCI General Catalogue](#).

Students have three options for completing the Mathematics Requirement before enrolling at UCI:

- 1) One semester of calculus (equivalent to UCI's MATH 2A) and one semester of statistics (equivalent to UCI's STATS 7 or MGMT 7) **or**
- 2) Two quarters of calculus (equivalent to UCI's MATH 2A and MATH 2B) and one quarter of statistics (equivalent to UCI's STATS 7 or MGMT 7) **or**
- 3) One year of statistics (equivalent to UCI's SOC SCI 10A, 10B and 10C)

In addition to the School of Social Sciences Math Requirement, all students are required to take course work equivalent to I&C SCI 31 or SOC SCI 3A.

NOTE: In fulfillment of the requirements below, a single course may be used only once.

For information regarding the [AP and IB examination](#) credit policies refer to the UCI General Catalogue.
