GENERAL INFORMATION

The major in Education Sciences provides a foundation for the interdisciplinary nature of education, focused on five domains. These include (a) human development, (b) learning, (c) social structures and stratification, (d) policymaking in education and (e) schools as organizations.

There are no prerequisites required for the Education Sciences major. Preference will be given to junior-level applicants with the highest grades overall (minimum cumulative GPA of 3.0 and 3.4 for TAG). It is suggested that prospective transfer students work toward completing course work to fulfill the UCI General Education Requirements or IGETC.
