

Articulation Agreement by Major

Effective during the 2022-2023 Academic Year

To: University of California, Santa Barbara
2022-2023 General Catalog, Quarter

From: De Anza College
2022-2023 General Catalog, Quarter

Sociology, B.A.

GENERAL INFORMATION FOR ALL MAJORS

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meeting campus admission selection criteria. Completing the UC transfer admission requirements in English and mathematics by the end of the fall term prior to the fall application quarter makes an applicant more competitive for admission to UCSB. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UCSB, please visit the Admissions website: www.admissions.ucsb.edu

This articulation agreement lists course-to-course or sequence-to-sequence substitutions for preparation in the major. **Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSB. Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA, and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.**

Please note that the course "equivalencies" do not necessarily apply to UCSB general education. For information concerning satisfaction of UCSB general education requirements, please refer to the General Education/Breadth articulation agreement.

Advanced Placement (AP) and **International Baccalaureate (IB)** exams may or may not be used to meet course requirements, depending on the exam. Please refer to the [AP Chart](#) and [IB Chart](#) in the [UCSB General Catalog](#) for information on how we use AP and IB exams.

SOCIOLOGY, B.A.

Please visit the department's website to learn more about this major: www.soc.ucsb.edu

PRE-MAJOR INFORMATION

Students are admitted initially to Pre-Sociology, not directly to the major. Admission to the full major is contingent upon achievement of a grade point average of at least 2.3 in Area A and Area B courses completed at the University of California. **(Only UC grades go into the pre-major GPA. Transfer courses taken outside of UC may satisfy pre-major requirements, but they are not part of the pre-major GPA.)** Courses in Areas C and D will not be included in the pre-major GPA computation but must be taken for a letter grade and will influence the overall major GPA.

Students must complete pre-major courses and achieve the minimum GPA requirements prior to the completion of 144 total quarter units. Courses in Area A and B must be completed with grades of "C-" or higher. Because the criteria are subject to annual review and revision, transfer students should consult the department directly to obtain current information regarding specific additional criteria for admission into the full major. **Admission to the pre-major does not guarantee admission to full major status.**

(Transfer applicants do not need to complete all of the Pre-Major Requirements in order to be admitted, but should complete as much as possible before transferring so they will be prepared to progress in the major at UCSB.)
