REQUIREMENTS

PREPARATION FOR TRANSFER APPLICANTS

Transfer applicants should become familiar with the **Interdisciplinary Studies Field (ISF)** major as early as possible in their academic careers. To do this, review the ISF major requirements on the web site below. Because each student takes a unique set of courses, it is important for students who have been admitted to the College of Letters and Science as prospective ISF majors to contact an ISF adviser to determine the most effective individual program.

Lower division prerequisites to this major consist of two courses:

One "Disciplines" course and one "World Regions" course.
