GENERAL INFORMATION FOR ALL MAJORS

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meet campus selection criteria. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UC Santa Cruz, please visit the Admissions website:

<https://admissions.ucsc.edu/attend-ucsc/transfer-students>.

This articulation agreement lists course-to-course, sequence-to-sequence or requirement substitutions for preparation in the major. **Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSC. Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA, and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.**

UC Santa Cruz Advanced Placement (AP) and International Baccalaureate (IB) credit policies are detailed in the link below:

HISTORY B.A.

Transfer students are enthusiastically encouraged to study history at UC Santa Cruz! The history major can be readily completed within two years, regardless of what preparatory history major courses you have (or have not) completed prior to transfer. The preparatory courses below are recommended, but not required.

PREPARATION FOR THE MAJOR

One lower-division course from each of the three regions of concentration:

The Americas and Africa

Asia and the Pacific

Europe and the Mediterranean World

Students may apply up to three lower-division history courses completed at a California Community College to the history major requirements, with no more than two courses from any single geographic region of concentration.

PLEASE NOTE: If a course is listed for multiple concentrations, you may only apply it to one concentration.

Distribution Requirements: At least three of the courses completed for the history major must meet chronological distribution requirements. One must be set before 600 C.E., and two must be set in periods prior to the year 1800 C.E. If there are no courses approved to meet this requirement at a student's community college, they are encouraged to save course syllabi and submit them to the History Department for pre-600 C.E. or pre-1800 C.E. review. Students should check ASSIST frequently, as new courses will be added that satisfy the requirements.

Students are advised to complete the Intersegmental General Education Transfer Curriculum (IGETC) or UCSC general education requirements in preparation for transfer to UC Santa Cruz.

Please visit the department's website to learn more about this major: <https://history.ucsc.edu/undergraduate/transfer.html>

THIS IS A NON-SCREENING MAJOR. While completion of specific major courses is not required prior to transfer, students are encouraged to complete as much of the lower-division major preparation as possible as this may affect time to degree.

For more information on major requirements please visit the Admissions website: <https://admissions.ucsc.edu/posts/non-screening-majors>
