From: De Anza College
2022-2023 General Catalog, Quarter

Global Economics B.A.

GENERAL INFORMATION FOR ALL MAJORS

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meet campus selection criteria. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UC Santa Cruz, please visit the Admissions website:

<https://admissions.ucsc.edu/attend-ucsc/transfer-students>.

This articulation agreement lists course-to-course, sequence-to-sequence or requirement substitutions for preparation in the major. **Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSC. Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA, and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.**

UC Santa Cruz Advanced Placement (AP) and International Baccalaureate (IB) credit policies are detailed in the link below:

ADMISSION SELECTION CRITERIA

To be considered for admission to the Global Economics B.A. major, transfer students must complete equivalents of the following courses by the end of spring term for students planning to enter in the fall, with a grade of C (2.0) or better in each course and a combined overall GPA of 2.80 or higher in the three required courses:

ECON 1: Introductory Microeconomics: Resource Allocation and Market Structure

ECON 2: Introductory Macroeconomics: Aggregate Economic Activity

One of the following courses:

AM 11A/ECON 11A: Mathematical Methods for Economists I

MATH 11A: Calculus with Applications

MATH 19A: Calculus for Science, Engineering, and Mathematics

Junior-level transfer students are strongly encouraged to have completed two years of foreign language study as well as all of the required lower-division mathematics and statistics courses prior to enrolling at UCSC in order to graduate in a timely manner.

THIS IS A SCREENING MAJOR. For more information on screening major requirements please visit the Admissions website:
