### GENERAL INFORMATION FOR ALL MAJORS

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meeting campus admission selection criteria. Completing the UC transfer admission requirements in English and mathematics by the end of the fall term prior to the fall application quarter makes an applicant more competitive for admission to UCSB. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UCSB, please visit the Admissions website: [www.admissions.ucsb.edu](http://www.admissions.ucsb.edu)

This articulation agreement lists course-to-course or sequence-to-sequence substitutions for preparation in the major. **Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSB. Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA, and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.**

Please note that the course "equivalencies" do not necessarily apply to UCSB general education. For information concerning satisfaction of UCSB general education requirements, please refer to the General Education/Breadth articulation agreement.

**Advanced Placement (AP)** and **International Baccalaureate (IB)** exams may or may not be used to meet course requirements, depending on the exam. Please refer to the [AP Chart](#) and [IB Chart](#) in the [UCSB General Catalog](#) for information on how we use AP and IB exams.

### LINGUISTICS, B.A.

Please visit the department's website to learn more about this major: [www.linguistics.ucsb.edu](http://www.linguistics.ucsb.edu)

**Optional emphases:** Students pursuing a Bachelor of Arts in Linguistics may choose the Linguistics B.A. without an emphasis or may choose one of the following emphases: Chinese, English, French, German, Japanese, Slavic, Spanish, Language and Speech Technologies, or Speech-Language Sciences and Disorders.

#### PREPARATION FOR THE MAJOR:

##### Linguistics 20

Completion of the sixth quarter or fourth semester (or equivalent) in one foreign language\* plus the completion of the third quarter or second semester (or equivalent) in another foreign language.\*\* Students are encouraged to take at least one language outside the Indo-European family; however, the study of two Indo-European languages will satisfy this requirement provided both are not members of either the Germanic, Slavic, or Romance families. Native speakers of languages other than English may petition to count either English or their native language as fulfilling one of the language requirements. *(Look up articulations for languages offered at your school. If the articulation is for UCSB's level 6, that may satisfy the first requirement. If the articulation is for UCSB's level 3 or higher, that may satisfy the second requirement. Chinese, Japanese, and Korean courses are not articulated at UCSB - a language proficiency exam is required.)*

\* To pursue an emphasis in Chinese, French, German, Japanese, Slavic, or Spanish, the two years of foreign language must be in the corresponding language. Some language emphases require additional advanced work in the language.

\*\* Exception: the Language and Speech Technologies Emphasis does not require completion of the third quarter or second semester in another foreign language.

*(Transfer applicants do not need to complete all Preparation for the Major in order to be admitted, but should complete as much as possible before transferring so they will be prepared to progress in the major at UCSB.)*

### NOTE FOR NATIVE SPEAKERS

Students who were educated through grade 9 or above in a school where a language other than English was the primary language of instruction will not get transfer credit for lower-division college courses teaching that language. Please contact the department about a language proficiency exam.

**Performance on language proficiency exams may satisfy major requirements.**
