

Articulation Agreement by Major

Effective during the 2022-2023 Academic Year

To: University of California, Riverside
2022-2023 General Catalog, Quarter

From: De Anza College
2022-2023 General Catalog, Quarter

Psychology, B.A. and B.S.

GENERAL REQUIREMENTS

Admission to the Psychology major is selective based on GPA and the student's strength of academic preparation for the major. A minimum GPA of 2.70 is required (This is a baseline GPA for consideration and not a guarantee of admission). All courses must be taken for a letter grade. To earn credit towards UCR Psychology major requirements, courses must be completed with a grade no lower than a "C-". Transfer students are strongly encouraged to complete as much lower division preparation as possible prior to transfer, as they are required to complete all lower division requirements within one year of matriculation to UCR.

AP Exam - Satisfy Course Requirement Section

Mathematics: AB Exam or AB Subscore from BC Exam

Minimum score of 3 satisfies MATH 9A or MATH 7A

Mathematics: BC Exam

Minimum score of 3 satisfies MATH 9A and MATH 9B or MATH 7A and MATH 7B

Minimum score of 4 satisfies MATH 9A, MATH 9B, MATH 9C or MATH 7A, MATH 7B, MATH 9C

Psychology Exam

Minimum score of 4 satisfies PSYC 2

If the sending institution offers honors courses, the articulation for the same course number will be used.

For additional information about this major, please visit [Psychology](#).

For information about the UC Transfer Admission Guarantee (TAG) program, please visit [Transfer Admission Guarantee](#).

IGETC and General Education/Breadth Information

In addition to the lower division requirements listed below, students are also encouraged to complete the Intersegmental General Education Transfer Curriculum, "IGETC", while attending community college. Although completion of the IGETC is not a UCR admission requirement, it is a good program for students planning to transfer into majors housed in the College of Humanities, Arts and Social Sciences. Information about completing IGETC is available at each community college. Students also have the option of completing the UCR CHASS breadth pattern, you may view the breadth requirements by visiting the [2022-23 Catalog](#), pages 80-81.

MATHEMATICS REQUIREMENT

Effective Fall 2018 - *Students must have completed, with a grade of C- or better, a course equivalent to UCR's **MATH 4** or higher to be considered for admission to the major. Courses that articulate as **MATH 5**, **9A**, or **22** would meet this requirement.*

Students who complete a UC transferable College Algebra course and a college course in Trigonometry (both with "C" grades or better) will be considered to have an acceptable course substitution to UCR's **MATH 5**. Trigonometry courses do not carry UC transfer credit, but when taken in conjunction with College Algebra can be used to sufficiently cover content in **MATH 5**.

BIOLOGICAL SCIENCES REQUIREMENT

Complete **one** Biological Sciences course, such as Biology, Botany/Plant Sciences, Entomology.

Other acceptable courses include courses approved as a biological science on your community college's IGETC pattern, and may include courses such as Marine Biology, Microbiology, Anatomy, Physiology.

PHYSICAL SCIENCE REQUIREMENT

Complete **one** Physical Sciences course, such as Chemistry, Physics, Earth Sciences, excluding Cultural Geography.

Other acceptable courses include courses approved as a physical science on your community college's IGETC pattern, and may include courses such as Oceanography, Astronomy, Geology.

ADDITIONAL REQUIREMENT

Complete **two** additional courses from the Biological Sciences Requirement and/or Physical Science Requirement section. Additional courses that will satisfy this area are courses approved as a Mathematics course on your community college's IGETC list (such as Statistics, Finite Math, College Algebra, Discrete Structures).

The mathematics course taken to satisfy **MATH 4** (or equivalent) above may not be double counted for this area. UC transferable Computer Science courses are also acceptable.

LOWER DIVISION MAJOR REQUIREMENTS

Select 1 Course(s) from the following

Required for admission

Minimum grade required: C- or better

MATH 4 - Intro to College Math for Business and Social Sciences (5.00)

No Course Articulated

MATH 5A - Principles of Calculus I (5.00)

MATH 31 - Precalculus I (5.00)

--- And ---

MATH 32 - Precalculus II (5.00)

- *Maximum credit, 5 units*

MATH 9A - First-Year Calculus (4.00)

- *An AP exam may be used to satisfy this course requirement*

MATH 1A - Calculus (5.00)

MATH 22 - Calculus for Business (5.00)

MATH 12 - Introductory Calculus for Business and Social Science (5.00)

STRONGLY RECOMMENDED COURSES

Recommended

PSYC 1 - INTRODUCTORY PSYCHOLOGY (4.00)

No Course Articulated

PSYC 2 - Introductory Psychology (4.00)

- *An AP exam may be used to satisfy this course requirement*

PSYC 1 - General Psychology (4.00)

PSYC 11 - Psychological Methods: Statistical Procedures (5.00)

PSYC 15 - Statistics and Research Methods in Social Science (4.00)
Same-As: SOC 15

PSYC 12 - Psychological Methods: Research Procedures (6.00)

PSYC 2 - Research Methods in Psychology (6.00)

--- Or ---

PSYC 3 - An Introduction to Cognitive Psychology (4.00)

END OF AGREEMENT
