Effective during the 2022-2023 Academic Year

To: University of California, Riverside
2022-2023 General Catalog, Quarter

From: De Anza College
2022-2023 General Catalog, Quarter

Business Administration, B.S.

GENERAL REQUIREMENTS

The Business Administration major is selective based on GPA and the strength of academic preparation for the major. Students are required to:

- 1) Complete community college courses equivalent to the following seven lower division UCR Business Administration major requirements listed below.
- 2) Attain a minimum GPA of 2.70 in all UC transferable course work, and a minimum 2.50 GPA in the seven lower division major prerequisites listed below. (This GPA is a baseline for consideration and not a guarantee of admission.)
- 3) Complete IGETC or the UCR breadth pattern for the College of Humanities, Arts and Social Sciences.

Note: Students who complete a course in Managerial Accounting (usually the second semester of accounting at the community college) prior to transfer will receive subject credit for UCR's upper division course BUS 108 "Financial Evaluation and Managerial Analysis", which is a required course for the Business Administration major. Although students who choose to complete a lower division managerial accounting course prior to transfer will not be required to take BUS 108 after transfer, they will still need to attain a minimum number of upper division units at UCR for the Business Administration degree.
