Articulation Agreement by Major

Effective during the 2022-2023 Academic Year

To: University of California, Santa Cruz 2022-2023 General Catalog, Quarter

From: De Anza College 2022-2023 General Catalog, Quarter

Agroecology B.A.

GENERAL INFORMATION FOR ALL MAJORS

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meet campus selection criteria. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UC Santa Cruz, please visit the Admissions website: https://admissions.ucsc.edu/attend-ucsc/transfer-students.

This articulation agreement lists course-to-course, sequence-to-sequence or requirement substitutions for preparation in the major. Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSC. Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA, and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.

UC Santa Cruz Advanced Placement (AP) and International Baccalaureate (IB) credit policies are detailed in the link below:

UC Santa Cruz AP/IB Chart 2022-2023

AGROECOLOGY B.A.

Please visit the department's website to learn more about this major: https://envs.ucsc.edu

ADMISSION SELECTION CRITERIA

To be considered for admission to the Agroecology B.A. major, transfer students must pass the following courses or their equivalents with a C (2.0) or better in each course by the end of the spring term for students planning to enter in the fall:

ENVS 23: The Physical and Chemical Environment **OR** a general chemistry course

ENVS 24: General Ecology OR BIOE 20C: Ecology and Evolution

Plus one of the following courses:

AM 3: Precalculus for the Social Sciences

AM 6: Precalculus for Statistics

MATH 3: Precalculus

Plus one of the following options:

ENVS 25: Environmental Policy and Economics OR

ECON 1: Introductory Microeconomics: Resource Allocation and Market Structure $\underline{\textbf{AND}}$ a course in national or international politics OR

ECON 2: Introductory Macroeconomics: Aggregate Economic Activity AND a course in national or international politics

Transfer students are strongly encouraged to complete the Intersegmental General Education Transfer Curriculum (IGETC) or the UCSC general education requirements prior to transfer.

To ensure timely graduation, students are also encouraged to complete one course selected from the list of Strongly Recommended Advanced Preparation courses below.

THIS IS A SCREENING MAJOR. For more information on screening major requirements please visit the Admissions website: https://admissions.ucsc.edu/posts/screening-major-selection-criteria
