# **Articulation Agreement by Major**

Effective during the 2022-2023 Academic Year

To: University of California, Davis 2022-2023 General Catalog, Quarter

From: De Anza College 2022-2023 General Catalog, Quarter

### **Science & Technology Studies A.B.**

#### **INFORMATION AND ADVISORIES**

#### Special Advising Note:

Transfer students are strongly advised to complete as many preparatory courses as possible for their major before enrolling at UC Davis. Preparing well for the major helps students move efficiently toward graduation and significantly reduces time to degree.

Transfer students must also meet UC transfer admission requirements. For details see the <u>UC Davis Transfer Admission website</u>. UC Davis requires that students complete UC transfer admission requirements by the end of Spring term prior to Fall enrollment. In order to receive priority consideration it is strongly recommended that transfer students complete UC transfer admission requirements in English and Mathematics by the end of Fall term prior to enrollment.

-----

#### Transfer Admission Guarantee (TAG) Note:

GPA and other requirements to obtain a UC Davis TAG may differ from those stated here for general transfer admission to the major. Visit <a href="http://tag.ucdavis.edu">http://tag.ucdavis.edu</a> for details regarding UC Davis TAG.

\_\_\_\_\_

#### Intersegmental General Education Transfer Curriculum (IGETC)/UC Davis General Education (GE) Note:

Students have two choices for selection of a GE pattern: IGETC or UC Davis GE. IGETC is available only at California Community Colleges and works well for students planning to complete undergraduate degrees at UC Davis. See additional details about IGETC in ASSIST. UC Davis accepts partial IGETC certification and IGETC for STEM. Students not planning to complete IGETC should see important information about the UC Davis GE pattern. Students not planning to complete IGETC should contact the Dean's Office of your undergraduate college at UC Davis who determines whether you have satisfied the GE requirement. See a UC Davis academic advisor to understand how to complete all of the GE components.

-----

### College Foreign Language Requirement Note:

Transfer students pursuing this major who do not certify IGETC must complete a college graduation requirement in a foreign language. See <a href="https://ucdlc.ucdavis.edu/">https://ucdlc.ucdavis.edu/</a> and check with the College of Letters and Science's Undergraduate Education and Advising Office.

-----

### Advanced Placement (AP) and International Baccalaureate (IB) Examination Note:

AP and IB examination credit policies are detailed in the UC Davis General Catalog. Quick reference charts for AP and IB are also available here.

### **MAJOR PREPARATION**

• Please carefully review Information and Advisories and Course Articulation Details.

### **COURSE ARTICULATION DETAILS**

- <u>Important note</u>: Due to the limitations and bugs on the ASSIST platform at this time, it is important to view both the department and major agreements for a complete picture of the articulation arrangements. <u>Please refer to the appropriate department</u> <u>agreements in conjunction with the major agreement below.</u>
- Please check the UC Transferability Lists on ASSIST for information on any credit limitations.
- Attention: Articulation agreements are California Community College specific. Lower division courses that are taken at multiple
  California Community Colleges, including those within a shared district, may articulate differently from what is indicated in the
  department or major agreements. It is recommended that series courses be completed at the same California Community
  College. Please contact your California Community College counselor for more information.

#### PREPARATION COURSES FOR THE MAJOR

**STS 001** - Introduction to Science, Technology & Medicine Studies (4.00)

_	No Course	Articu	lated

Select 3 Course(s) from the following
