Articulation Agreement by Major

Effective during the 2022-2023 Academic Yea

To: University of California, Irvine 2022-2023 General Catalog, Quarter

From: De Anza College 2022-2023 General Catalog, Quarter

International Studies, B.A.

GENERAL INFORMATION

There is no prerequisite course work required for admission to the International Studies major. The School of Social Sciences recommends that students complete IGETC prior to transfer and refer to the list of courses below that will fulfill UCI lower-division major requirements.

International Studies majors are required to complete some form of international study experience, either abroad or through a domestic internship, for a minimum of one quarter.

While not a requirement for admission purposes, all School of Social Sciences majors must satisfy a Mathematics Requirement and a computer education course. For full details, students should refer to the <u>UCI General Catalogue</u>.

Students have three options for completing the Mathematics Requirement before enrolling at UCI:

- 1) One semester of calculus (equivalent to UCI's MATH 2A) and one semester of statistics (equivalent to UCI's STATS 7 or MGMT 7) or
- 2) Two quarters of calculus (equivalent to UCI's MATH 2A and MATH 2B) and one quarter of statistics (equivalent to UCI's STATS 7 or MGMT 7) or
- 3) One year of statistics (equivalent to UCI's SOC SCI 10A, 10B and 10C)

In addition to the School of Social Sciences Math Requirement, all students are required to take course work equivalent to I&C SCI 31 or SOC SCI 3A.

NOTE: In fulfillment of the requirements below, a single course may be used only once.

For information regarding the AP and IB examination credit policies refer to the UCI General Catalogue.
