#### **GENERAL INFORMATION FOR ALL MAJORS**

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meet campus selection criteria. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UC Santa Cruz, please visit the Admissions website: <a href="https://admissions.ucsc.edu/attend-ucsc/transfer-students">https://admissions.ucsc.edu/attend-ucsc/transfer-students</a>.

This articulation agreement lists course-to-course, sequence-to-sequence or requirement substitutions for preparation in the major. Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSC. Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA, and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.

UC Santa Cruz Advanced Placement (AP) and International Baccalaureate (IB) credit policies are detailed in the link below:

UC Santa Cruz AP/IB Chart 2022-2023

#### ART B.A.

Please visit the department's website to learn more about this major: https://art.ucsc.edu

#### PREPARATION FOR THE MAJOR

Transfer students should complete three lower-division studio art courses prior to entering UC Santa Cruz:

ART 20G: Introduction to Print Media and Drawing

ART 20H: Introduction to Sculpture and Public Art

ART 20I: Introduction to Photography

ART 20J: Introduction to Drawing and Painting

ART 20K: Introduction to New Media and Digital Artmaking

ART 20L: Introduction to Drawing

For timely graduation, transfer students should also complete two history of art and visual culture courses prior to transfer, including one in Western art and culture and one in non-Western art and culture.

**THIS IS A NON-SCREENING MAJOR.** While completion of specific major courses is not required prior to transfer, students are encouraged to complete as much of the lower-division major preparation as possible as this may affect time to degree.

For more information on major requirements please visit the Admissions website: <a href="https://admissions.ucsc.edu/posts/non-screening-majors">https://admissions.ucsc.edu/posts/non-screening-majors</a>

### **PORTFOLIO REVIEW**

Students applying for fall entry must pass a portfolio review in early April and be admitted to UC Santa Cruz to declare the art major. Admission to UCSC does not guarantee eligibility to declare the major, nor does passing the portfolio review guarantee admission to the campus. Transfer students **must** identify themselves as proposed art majors when applying to the university in order to receive information on the portfolio review deadlines and the materials required for the review.

If a student is admitted to UCSC and does not pass the portfolio review, the student will need to pursue an alternate major. Students will be notified of the results of the portfolio review before they need to submit their Statement of Intent to Register for UC Santa Cruz.
