GENERAL INFORMATION FOR ALL MAJORS

All transfer applicants must satisfy University of California admissions eligibility requirements as well as meeting campus admission selection criteria. Completing the UC transfer admission requirements in English and mathematics by the end of the fall term prior to the fall application quarter makes an applicant more competitive for admission to UCSB. All admission requirements must be completed by the end of spring prior to transfer. For more information on UC admissions eligibility requirements and admission to UCSB, please visit the Admissions website: www.admissions.ucsb.edu

This articulation agreement lists course-to-course or sequence-to-sequence substitutions for preparation in the major. **Transfer students are strongly encouraged to complete as many major preparatory courses as possible prior to enrolling at UCSB. <u>Completion of all major preparatory courses is not an admissions requirement, but some majors require certain courses to be completed prior to transfer with a specified GPA,</u> and completion or near completion of major preparatory courses will help students move more efficiently toward graduation after transfer.**

Please note that the course "equivalencies" do not necessarily apply to UCSB general education. For information concerning satisfaction of UCSB general education requirements, please refer to the General Education/Breadth articulation agreement.

Advanced Placement (AP) and **International Baccalaureate (IB)** exams may or may not be used to meet course requirements, depending on the exam. Please refer to the AP Chart and IB Chart in the UCSB General Catalog for information on how we use AP and IB exams.

CHINESE, B.A.

Please visit the department's website to learn more about this major: www.eastasian.ucsb.edu

PREPARATION FOR THE MAJOR:

Chinese 1, 2, 3, 4, 5, 6 (or equivalent)

- **UCSB's Chinese language courses are not automatically articulated**, even if community college courses are listed in the course articulation area. **Students must verify their language proficiency with a placement exam**. If a student has taken college courses in Chinese, and their score on the placement exam requires them to take a UCSB course that is at the same level as the college course taken elsewhere, then only subject credit will be awarded for UCSB courses that duplicate the courses taken elsewhere.
